

## DS-KD-ACW2

### Dual Module Surface Mount Package

Cover Plate

Frame

The DS-KD-ACW2 Dual Mount Surface Mount package is designed to support two modular door station modules. Generally, customers choose to pair this accessory with a Video Intercom Module Door Station and one Card, Keypad, or Button Module.

The DS-KD-ACW2 is built with high-quality aluminum and contains all of the necessary hardware elements for integration with other Hikvision products for custom access control solutions.
